

# BRAGG CREEK EDUCATION SERVICES ASSOCIATION

## June Newsletter

### Dear Parents,

As our services come to a close and classroom supports begin to wind down, we wanted to take a moment to say what a pleasure it has been working with your children this school year. It has been a joy to watch them learn, grow, and shine. If you have a moment, please fill out the End-of-Year questionnaire to provide feedback on how services were and ways BCESA can improve. And now, we wish you and your family a very happy and relaxing summer!

### Reminders

Documents you will have received this year:

- Therapist Report from September assessments
  - Therapy session notes
  - Individualized Program Plan (IPP) – final IPP will be sent near the end of June for signatures.
- 

For children moving on to public Kindergarten or Grade 1, we wish you all the best as you begin this exciting new chapter at your new schools! If needed, parents are encouraged to connect with the school's Learning Support or Resource Team to discuss any ongoing services or supports that may benefit their child moving forward.

### Next Year

For families hoping to access Alberta Education funding in the upcoming school year at your daycare or preschool, please note that children will need to be screened again in the fall, as funding and eligibility do not automatically carry over from year to year. Screening helps determine current needs and ensures the appropriate supports and funding applications can be completed for the new school year. Look for Consent forms coming August-September 2026.
