

# Bragg Creek Education Services Association

OCTOBER NEWSLETTER

## Welcome

Hello Parents,

Another warm welcome from all of us at BCESA! We are so excited to be working with your children this year and supporting them in the classroom alongside their preschool, kindergarten or daycare teachers.

Right now our team will be creating your child's Individualized Personal Plan (IPP) document. Knowing what your child's strengths are, will help the learning team choose goals, strategies and accommodations that build on those strengths. Please remember to complete the Parent Viewpoint survey ([click here](#)) so we can learn more about your child.

Monthly newsletters will be sent to you so you stay in the know and find out what's happening next with your child's specialized services.

Our team is dedicated to providing the best supports to your family and the educational centres your children are attending. We cannot wait to see how each child learns and grows this school year.

-BCESA

## CALENDAR

Oct 14: THANKSGIVING

Oct 20: PD Day for our staff

Oct 27-Nov 7: PUF IPP Meetings

## PUF Information

During the month of October PUF children (code 42/44/47) will receive their IPP with goals for the year. Parents will have a collaborative meeting with the BCESA team to review the IPP. Regular therapy visits will also begin this month. PUF children will see the therapists weekly for sessions. Contact notes will be sent home after each session so you can practice at home.

## MOD-Language

During the month of October Moderate-Language (code 48) children will receive an IPP with goals for the year. Parents will have a collaborative meeting with the BCESA team to review the IPP. Regular therapy visits will also begin this month.

MOD children will see the Speech-Language Pathologist every other week and contact notes will be sent home after each session so you can practice at home.

## Announcements & Reminders

- All Funding Forms and children's birth certificates (and if applicable, PR/Visa documents) need to be handed in ASAP.
- Therapists will begin writing reports and parents will receive a copy of all documentation.
- Parent Workshops (online) will be held throughout the year on a variety of topics. Dates coming soon.
- You are always more than welcome to reach out to the team at any time.

## MM Information

This month, Mild to Moderate children (code 30) will continue to be observed by therapists and IPPs will be written and sent to parents in November. Regular monthly therapist visits will also begin in November.
